

## Semicon India 2023 (25th to 30th July 2023)

the Ministry of Electronics and Information Technology, Govt. of India, successfully organized "Semicon India 2023" at Mahatma Mandir, Gandhinagar, in collaboration with the Govt. of Gujarat.

- ☐ This exhibition provided a golden opportunity for students and faculties in engineering fields to explore advances and future technologies in Semicon Industries.
- ☐ With 17 sessions and esteemed industry leaders and policy makers, it was a fruitful event for all stakeholders.
- ☐ Over 32,500 students and faculties from engineering institutions visited the Six-day Semicon India 2023 exhibition.
- ☐ The event witnessed the commitment of Semicon industries to establish manufacturing facilities in India, opening new possibilities.
